Underwriters shall not be liable or obligated to provide any coverage or benefits or to pay or reimburse any claims for **Eligible Medical Expenses** if there is any other insurance, membership benefit, state and/or federal government program (including without limitation Medicare, Medicaid, Veterans Administration and CHAMPUS), right of contribution, recoupment or recovery contract, or any other third-party obligation or liability for provision of benefits (“Other Coverage”) which would, or would but for the existence of this insurance, be available or obligated to provide such benefit or to pay or reimburse or provide indemnity for such claim, except where benefit amounts provided under Other Coverage are less than the applicable benefit amount insured hereunder, in which case Underwriters will pay the difference between the benefit amounts provided under Other Coverage and the benefit amount of this insurance, subject always to the applicable **Deductible, Coinsurance** and all other term, clauses, conditions, provisions and exclusions of this insurance. Underwriters shall not pay any claim in respect to treatment, services or supplies furnished by any program or agency funded by any government.

C. Pre-certification

Pre-certification is a general determination of **Medical Necessity** only, and all such determinations are made by Underwriters (acting through the **Plan Administrator**) in reliance and based upon the completeness and accuracy of the information provided by the **Insured Person** and/or his/her **Relatives**, guardian and/or medical service and/or supply providers at the time of Pre-certification. Underwriters reserve the right to challenge, dispute and/or revoke a prior determination of **Medical Necessity** based upon subsequent information obtained. Pre-certification is not an assurance, authorization, preauthorization, verification of coverage, verification of benefits, or a guarantee of payment. The fact that services or supplies are Pre-certified does not guarantee the payment of benefits, the availability of coverage, or the amount of or eligibility for benefits. Underwriters’ consideration and determination of a Pre-certification request, as well as any subsequent review or adjudication of all medical claims submitted in connection therewith, shall remain subject to all of the terms, conditions, provisions and exclusions of this insurance. Any consideration or determination of a Pre-certification request shall not be deemed or considered as Underwriters approval, authorization or ratification of, recommendation for, or consent to any diagnosis or proposed course of treatment. Neither Underwriters nor the **Plan Administrator** (nor anyone acting on their respective behalves) has any authority or obligation to select **Physicians, Hospitals** or other **Medical Providers** for the **Insured Person**, or to make any diagnosis or medical treatment decisions on behalf of the **Insured Person** and all such decisions must be made solely and exclusively by the **Insured Person** and/or his/her **Family** members or guardians, treating **Physicians** and **Medical Providers**. If the **Insured Person** and his/her **Medical Providers** comply with the Pre-certification Requirements contained in this provision, and the treatment or supplies are Pre-certified as **Medically Necessary**, Underwriters will reimburse the **Insured Person** for **Eligible Medical Expenses** up to the amount shown in this Master Policy.

1. Pre-certification Requirements

The following Medical expenses must always be Pre-certified before admission or receiving services and/or supplies:

- a. **Inpatient** care
- b. Any **Surgery** or **Surgical Procedure**
- c. Care in an **Extended Care Facility**
- d. **Home Nursing Care**
- e. **Durable Medical Equipment**
- f. Artificial limbs

- g. Computerized Tomography (CAT Scan)
- h. Magnetic Resonance Imaging (MRI)
- i. **Pregnancy**
- j. **Interfacility Ambulance Transfer**

2. Compliance

To comply with the Pre-certification Requirements, the **Insured Person** must:

- a. contact the **Plan Administrator** at the telephone number or electronic address indicated on the **Insured Person's** Identification Card as soon as possible before the expense is to be incurred; and
- b. comply with the instructions of the **Plan Administrator** and submit any information or documents they require; and
- c. notify all **Physicians, Hospitals** and other **Medical Providers** that this insurance contains Pre-certification requirements and ask them to fully cooperate with the **Plan Administrator**.

3. Non-compliance

If the **Insured Person** and/or his/her **Medical Providers** do not comply with the Pre-certification Requirements and the expenses are not Pre-certified,

- a. **Eligible Medical Expenses** will be reduced by 50%; and
- b. the **Deductible**, if applicable, will be subtracted from the remaining amount; and
- c. **Coinsurance**, if applicable, will be applied.

4. In the event of an **Emergency Hospital** admission, Pre-certification must be made within forty-eight (48) hours after the admission, or as soon as is reasonably possible but no later than one week thereafter.

5. For **Inpatient** stays of any kind, Underwriters will Pre-certify a limited number of days of confinement. Additional days of **Inpatient** confinement may later be Pre-certified based on **Physician** recommendations and **Medical Necessity**.

6. If the **Insured Person** disagrees with a Pre-certification decision, he/she may in writing ask Underwriters (through the **Plan Administrator**) to reconsider the decision and may supply additional documentation to support the appeal. Underwriters may reconsider their decision based on review of the additional documentation and facts, if any. Underwriters will advise the **Insured Person** of their decision within a reasonable time frame following receipt of additional documentation and facts.

D. US Preferred Provider Network

Underwriters, via the **Plan Administrator**, endeavor to maintain contractual arrangements with one or more independent Preferred Provider Organizations (PPO) that have established and maintain networks of US-based **Physicians, Hospitals** and other **Medical Providers** who are contracted separately and directly with the PPO and who may provide re-pricings, discounts or reduced charges for services and/or supplies provided to the **Insured Person**. Neither Underwriters nor the **Plan Administrator** have any

authority or control over the operations or business of the PPO, or over the operations or business of any provider within the PPO network. Neither the PPO, nor any provider within the PPO network, nor any of their respective agents employees or representatives has or shall have any power or authority whatsoever to act for or on behalf of Underwriters or the **Plan Administrator** in any respect. It is not a requirement of this insurance that the **Insured Person** seek services or supplies exclusively from a provider within the independent PPO network.

1. Freedom of choice

Nothing contained in this insurance restricts or interferes with the **Insured Person's** right to select the **Hospital, Physician** or other **Medical Provider** of his/her choice. Nothing contained in this insurance restricts or interferes with the relationship between the **Insured Person** and the **Hospital, Physician** or other **Medical Providers** with respect to treatment of any condition, or the right of any **Insured Person** to receive, at his or her own expense, services and/or supplies that are not covered under this insurance.

2. Reduction of benefits

The **Insured Person's** use or non-use of the PPO network will affect the scope and extent of benefits available under this insurance in the form of additional **Coinsurance**, as specified in the Schedule of Benefits and Limits. An **Insured Person** may contact the **Plan Administrator** and request a PPO directory for the area where he/she will be receiving medical care, or may visit the Plan Administrator's website to obtain such information.

E. Patient Advocacy

Neither Underwriters nor the **Plan Administrator** shall have any right, obligation or authority of any kind to ultimately select **Physicians, Hospitals, Medical Providers** or other providers of services and/or supplies for the **Insured Person**, or to make any medical treatment decisions for or on behalf of the **Insured Person**, and all such decisions shall be made solely and exclusively by the **Insured Person** and/or his/her guardians, **Relatives, Physicians** and other **Medical Providers**. Subject to the foregoing, Underwriters may determine that a particular claim or diagnosis occurring under this insurance may be placed under the Patient Advocacy program to ensure that **Medically Necessary** services and supplies are provided in the most cost-effective manner. In the event Underwriters determine that a claim or diagnosis meets the Patient Advocacy program guidelines, they will notify the **Insured Person**, and a Patient Advocate will be assigned to the **Insured Person**. Thereafter, the Patient Advocate may make recommendations of alternative treatment settings and/or procedures and/or supplies, that may be more cost-effective for the Underwriters and/or the **Insured Person**. Such recommendations will be made with input from the **Insured Person** and/or the **Insured Person's** guardian(s), **Relative(s), Physician(s)** and/or other **Medical Providers** and will be made only when it can be reasonably demonstrated that the **Medically Necessary** services and supplies can be provided in a more cost-effective manner to Underwriters and/or the **Insured Person**. Underwriters will use best efforts to evaluate and recommend alternative treatment settings and/or procedures and/or supplies, which can reasonably be expected to result in the same or better care of the **Insured Person**. The **Insured Person** is under no obligation to accept or follow any of the Patient Advocate's recommendations. However, if the **Insured Person** accepts and follows any of the Patient Advocate's recommendations, the **Insured Person** agrees to hold Underwriters, the **Plan Administrator**, and their agents and representatives, including without limitation the Patient Advocate, harmless, and Underwriters shall not be held liable or otherwise responsible for any treatment, service or supply provided to the **Insured Person** except for the payment of claims eligible for coverage under this insurance. After the **Insured Person** has been notified that the claim or diagnosis meets the Patient Advocacy program guidelines, Underwriters reserve the right, at their option and sole discretion without liability to:

1. make payment for treatments, services and/or supplies which are not covered under this insurance which may be beneficial to the **Insured Person** and cost effective to Underwriters; and/or
2. deny coverage for expenses, including without limitation **Eligible Medical Expense** otherwise eligible for coverage but for the terms of this provision, which exceed the amount Underwriters would have paid had the **Insured Person** followed the recommendations of the Patient Advocacy program.

2. Payment: Payment of the required premium shall be remitted to Underwriters on or before the first day of any **Certificate Period**.
3. Premiums for this insurance may be refunded in full upon written request from the **Insured Person** prior to the first day of any **Certificate Period**.
4. The **Insured Person** may cancel this insurance after the **Certificate Effective Date** upon advance written notice to the **Plan Administrator**. If any claims have been filed, the premium paid is fully earned and no refund is payable to the **Insured Person**. If no claims have been filed, Underwriters will refund the premium attributable to the unused days, after deducting an administrative fee of \$50.

B. Currency

The monetary benefit limits and sub-limits, premiums and all other monetary amounts stated in this Master Policy are in US dollars. Benefits may be paid in local currency equivalents at the option of Underwriters.

C. Claim Notification

All claims and related claim information must be filed with Underwriters through the **Plan Administrator**. When the **Plan Administrator** receives notice of a claim from or on behalf of an **Insured Person**, it will provide him/her with a Claimant's Statement and Authorization form with instructions for filing **Proof of Claim**.

D. Proof of Claim

1. All of the following items must be submitted by or on behalf of the **Insured Person** to be considered a complete **Proof of Claim** eligible for consideration of coverage under this insurance:
 - a. A complete, legible, timely submitted and signed Claimant's Statement and Authorization form, together with an Accident Questionnaire if applicable, and any other claim forms required by the **Plan Administrator**.
 - b. All original itemized bills and statements for services rendered by **Physicians, Hospitals, Medical Providers** and all other providers of services and/or supplies involved with any claim.

- d. Any other documents or information the **Plan Administrator** may reasonably require, including without limitation, copies of visas, passports and other travel documents, needed to validate any claim and the amount of such claim.
2. The **Insured Person** shall have one hundred eighty (180) days from the first date a claim is incurred to submit a complete **Proof of Claim** to the **Plan Administrator**. Underwriters may, at their sole option, suspend adjudication and/or resolution of submitted claims and may deny coverage of any claim due to any of the following:

3. Underwriters, at their sole option, may waive the requirements regarding submission of a new Claimant's Statement and Authorization form for subsequent claims incurred by an **Insured Person** relating to a continuing **Illness, Injury** or other condition or circumstance for which a properly completed Claimant's Statement and Authorization form has previously been submitted and received.

E. Claim Assistance

In the event of any **verbal or telephone inquiry**, every attempt will be made to help the **Insured Person and his/her Medical Providers** and other suppliers to understand the status, scope and extent of available benefits and coverage under this insurance, provided, however, that no statement made by any agent, employee or representative of Underwriters or the **Plan Administrator** will be deemed or construed as an actionable representation, promise or an estoppel, or will create any liability against Underwriters or the **Plan Administrator** or be deemed or construed to bind Underwriters or the **Plan Administrator**, or to modify, replace, waive, extend or amend any of the terms, conditions, provisions, restrictions and exclusions of this Master Policy unless expressly set forth in writing and signed by an officer of Underwriters or the **Plan Administrator**. Actual eligibility determinations, benefit verifications, final coverage decisions, claim adjudications, final payments, reimbursements or benefits or claims shall be determined only after a complete **Proof of Claim** is submitted, an opportunity for reasonable investigation and/or review is provided, cooperation required hereunder is received, and all facts and supporting information, including relevant medical records, when deemed necessary or appropriate by Underwriters, are presented in writing. Appealed claims may be further investigated and/or reviewed. If a definite answer to a specific benefits or coverage question is required for any reason, the **Insured Person** and or his/her **Medical Providers** may submit a written request to the **Plan Administrator**, including all pertinent medical information and a statement from the attending **Physician** (if applicable). A written reply will be sent by the **Plan Administrator** and kept on file. If Underwriters, via the **Plan Administrator**, elect to verify generally and/or preliminarily to a **Medical Provider** or an **Insured Person** that an **Injury, Illness**, diagnosis or proposed service, supply or treatment is or may be covered under this insurance, or that benefits for same are or may be available, any such verification does not guarantee either payment of benefits or the amount or eligibility for benefits.

F. Appealing a Claim

- Time Limit:** In the event Underwriters deny all or part of a claim under this insurance, the **Insured Person** shall have ninety (90) days from the date the notice of denial was mailed to the **Insured Person's** last known address, to file a written appeal with Underwriters. If the **Insured Person** communicates with Underwriters and/or the Plan Administrator electronically, he/she shall be deemed to have agreed to electronic means of notice. It is the responsibility of the **Assured** and each **Insured Person** to advise Underwriters of any change in mailing address or electronic address.

H. Complaints Procedure

Complaints, if any, should be addressed in the first instance in writing to the Plan Administrator. A written response will be provided to the **Assured** or any **Insured Person** within fourteen (14) days. The address is:

I. Assignment of Benefits

Subject to agreement by Underwriters, the **Insured Person** may assign benefits under this insurance to a **Hospital, Physician** or other **Medical Provider**. Any such assignment shall not confer upon such **Hospital, Physician** or other **Medical Provider**, any right or privilege granted to the **Insured Person** under this insurance except for the right to receive benefits, if any, which are determined to be due and payable hereunder. No **Hospital, Physician** or other **Medical Provider** shall have any direct or indirect claim or right of action against Underwriters or the **Plan Administrator**.

J. Entire Agreement

This Master Policy, including the **Master Policy Declaration** and any exhibits, schedules, and/or endorsements attached hereto, constitutes the entire agreement between Underwriters, the **Assured** and the **Insured Person**. The terms set forth herein may not be waived or modified without the express written agreement of Underwriters.

K. Law and Jurisdiction

1. No action at law or in equity can be brought by an **Insured Person** to recover on this Master Policy prior to the later of:
 - a. the expiration of sixty (60) days after written **Proof of Claim** has been furnished in accordance with the requirements for **Proof of Claim** contained herein; or
 - b. after exhaustion of one (1) appeal in accordance with the requirements set forth in Part X, General Conditions and Conditions Precedent, F., **Appealing a Claim**, contained herein.
2. No action at law or in equity can be brought by an **Insured Person** after the expiration of three (3) years after the time written **Proof of Claim** is required to be furnished in accordance with Part X, General Conditions and Conditions Precedent, D. **Proof of Claim** contained herein.
3. This Master Policy and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by, and construed in accordance with, the laws of England and Wales, and in accepting this insurance the **Insured Person** expressly consents to same.
4. The courts of England and Wales shall have exclusive jurisdiction over any dispute or claim arising out of or in connection with this Master Policy or its subject matter or formation (including non-contractual disputes or claims), and in accepting this insurance the **Insured Person** expressly consents to same.

L. Arbitration

If any dispute shall arise as to the amount to be paid under this insurance, liability being otherwise admitted, such dispute shall be referred to arbitration in accordance with procedures of the London Court of International Arbitration. If any dispute shall arise as to any claims for benefits where liability has not been admitted by Underwriters, or as to any other controversy arising under this insurance, such dispute shall not be arbitrable under any circumstance or for any reason. Where any dispute is referred to arbitration by this provision the making of an award shall be a condition precedent to any right of action against Underwriters.

M. Waiver of Rights

In the event that Underwriters do not enforce or require compliance with any provision herein, this will not invalidate, modify or render such provision unenforceable at any other time, whether or not the circumstances are the same.

N. Claims Cooperation

The **Assured**, the **Insured Person** and his/her **Physician(s)**, **Hospital(s)**, other **Medical Providers** and all other providers of services and/or supplies shall cooperate fully with Underwriters and the **Plan Administrator** in reviewing, investigating, adjudicating, considering an appeal of and/or administering any claim under this insurance, including granting full right of access to all related records, medical documentation, medical histories, reports, laboratory or test results, x-rays and all other available evidence relating to or affecting the claim. Underwriters, at their option, may suspend or pend adjudication of a claim and/or may deny a claim or coverage for a claim when any of the following has occurred:

1. a refusal to so cooperate
2. an unreasonable delay in such cooperation
3. any other act or omission on the part of the **Inured Person** and/or his/her **Physician(s)**, **Hospital(s)**, other **Medical Providers** and/or other providers of services and/or supplies which hinders, delays, impairs or otherwise prejudices the performance of the Underwriters obligations hereunder.

O. Subrogation

The **Insured Person** shall undertake to pursue in his/her own name and stead, and to fully cooperate with Underwriters in the pursuit and prosecution of any and all valid claims he/she may have against any third parties arising out of any occurrence which results or may result in a claim payment by Underwriters, and to fully account to Underwriters for any amounts recovered or recoverable in connection therewith, on the basis that Underwriters shall be entitled to recover first in full any sums paid or to be paid by them before the **Assured** or **Insured Person** shares in any amount so recovered. Should the **Assured** or **Insured Person** fail to prosecute any valid claims against any such third party(ies) and Underwriters thereupon become liable to make payment under this insurance, then Underwriters shall be fully subrogated to all rights and interests of the **Assured** and **Insured Person**. The **Assured** and **Insured Person** agree to include Underwriters as co-payee on any settlement check or check from any third party or insurer. The **Assured** and **Insured Person** agree that he/she will not release any party or their insured without prior written approval from Underwriters and will take no action which prejudices Underwriters' rights. Any amount recovered by Underwriters in accordance with this provision shall be used to pay the expenses of collection and reimbursement of Underwriters for any amount that it may have paid or become liable to pay under this insurance. Any remaining amounts shall be paid to the **Insured Person**. In the event the **Insured Person** receives any form or type of settlement and either fails or refuses to abide by the terms of this provision, in addition to any other remedies Underwriters may have, Underwriters retain a right of equitable offset against future claims.

P. Right of Recovery

Underwriters have the right to recover the amount of overpayment of any claim, from the **Insured Person** and/or the **Hospital, Physician, Medical Provider** or other provider of services or supplies, for any reason, including without limitation, the following:

1. All or some of the expenses were not paid for by or on behalf of the **Insured Person** or were subsequently recovered by, or determined to be recoverable by or on behalf of the **Insured Person**.
2. The **Insured Person** and/or any **Relative** of the **Insured Person**, whether or not that **Relative** is or was an **Insured Person**, is repaid or is entitled to be repaid for all or some of any claim paid by Underwriters, or for defective equipment or medical devices covered under a warranty, or by or from a source other than Underwriters.
3. All or some of the expenses were not eligible for coverage hereunder.
4. All or some of the expenses were paid or reimbursed based on incorrect or mistaken application of the terms of this insurance.
5. All or some of the claim has been excused, waived, abandoned, forfeited, discounted or released by the provider.
6. The **Insured Person** is not liable or responsible as a matter of law for all or part of the claim.

The amount of the recovery shall be the difference between: (i) the amount actually paid by Underwriters; and (ii) the amount, if any, which should have been paid by Underwriters. If the **Insured Person** or the **Hospital, Physician, Medical Provider** or other provider of services or supplies does not promptly make any such refund to Underwriters, Underwriters may, in addition to any other rights or remedies available to them (all of which are reserved), either: (i) reduce or deduct from the amount of any future claim that is otherwise eligible for payment hereunder, to the full extent of the refund due Underwriters; and/or (ii) cancel the **Certificate** issued to the **Insured Person** by giving thirty (30) days advance written notice and offset against the amount of any refund of premium due the **Insured Person** to the full extent of the refund due to Underwriters.

Q. Duty of Fair Presentation

In accordance with the Insurance Act 2015, the **Assured** and each **Insured Person** has a duty to make a fair presentation of all material facts and circumstances known to them regarding insurance hereunder to Underwriters.

1. If, prior to the **Master Policy Effective Date** or any **Certificate Effective Date**, the **Assured** or **Insured Person** breaches their duty of fair presentation, the remedies available to Underwriters are as follows:
 - a. If the breach of the duty of fair presentation is deliberate or reckless, Underwriters may avoid the Master Policy, either altogether or, at Underwriters' discretion, only with respect to the **Insured Person**, and refuse to pay all claims or all claims by or on behalf of the **Insured Person**; they need not return any of the premiums paid.
 - b. If the breach of the duty of fair presentation is not deliberate or reckless, Underwriters' remedy depends upon what Underwriters would have done if the **Assured** and/or **Insured Person** had complied with the duty of fair presentation, as follows:
 - i) If Underwriters would not have entered into the Master Policy or would not have accepted the **Insured Person's Application** at all, Underwriters may avoid the Master Policy, either altogether or, at Underwriters' discretion, only with respect to the **Insured Person**, and refuse to pay all claims or all claims by or on behalf of the **Insured Person**. Underwriters must return the premiums paid.
 - ii) If Underwriters would have entered into the Master Policy or accepted the **Insured Person's Application** but on different terms (other than terms relating to the premium), the Master Policy or, at Underwriters discretion, only coverage with respect to the **Insured Person**, will be treated as if it had been entered into on those different terms from the outset, if Underwriters so require.
 - c. In addition, if Underwriters would have entered into the Master Policy or accepted the **Insured Person's Application**, but would have charged a higher premium, Underwriters may reduce proportionately the amount to be paid on a claim (and, if applicable, the amount already paid on prior claims) made by or on behalf of the **Insured Person**. In those circumstances, Underwriters shall pay only X% of what it would otherwise have been required to pay, where $X = (\text{premium actually charged/higher premium}) \times 100$.
2. If, prior to entering into a variation to this Master Policy, the **Assured** or **Insured Person** breaches their duty of fair presentation, the remedies available Underwriters are as follows:
 - a. If the breach of the duty of fair presentation is deliberate or reckless Underwriters may, by notice to the **Assured** or **Insured Person**, treat the Master Policy altogether or, at Underwriters' discretion, only with respect to the **Insured Person**, as having been terminated as of the time when the variation was concluded; Underwriters need not return any of the premiums paid.
 - b. If the breach of the duty of fair presentation is not deliberate or reckless, Underwriters' remedy depends upon what Underwriters would have done if the **Assured** or **Insured Person** had complied with the duty of fair presentation:
 - i) If Underwriters would not have agreed to the variation at all, Underwriters may treat the Master Policy, either altogether or, at Underwriters' discretion, only with respect to the **Insured Person**, as if the variation was never made, but must in that event return any extra premium paid as a result of said variation.
 - ii) If Underwriters would have agreed to the variation to the Master Policy, but on different terms (other than terms relating to the premium), the variation is to be treated as if it had been entered into on those different terms, if Underwriters so require.
 - iii) If Underwriters would have increased the premium by more than it did or at all, then Underwriters may reduce proportionately the amount to be paid on a claim arising out of events

which occur after the variation. In those circumstances, the Underwriters shall pay only X% of what it would otherwise have been required to pay, where $X = (\text{premium actually charged/reduced total premium}) \times 100$.

c. Nothing in provision is intended to vary the applicable provisions of the Insurance Act 2015.

R. Fraudulent Claims

If the **Assured** or any **Insured Person** makes a fraudulent claim under this Master Policy, Underwriters:

1. Are not liable to pay the claim.
2. May recover from the **Assured** or any **Insured Person** any sums paid by Underwriters to the **Assured** or to or for the benefit of any **Insured Person**, in respect of the claim.
3. May, by notice to the **Assured** and the **Insured Person**, treat the Master Policy, either altogether or, at Underwriters' discretion, only with respect to the **Insured Person**, as having been terminated with effect from the time of the fraudulent act.
4. If Underwriters exercise their right under this provision:
 - a. Underwriters shall not be liable to the **Assured** or **Insured Person** in respect of a relevant event occurring after the time of the fraudulent act. A relevant event is whatever gives rise to Underwriters' liability under this Master Policy (such as the occurrence of a loss, the making of a claim, or the notification of a potential claim) to the **Assured** or any **Insured Person**.
 - b. Underwriters need not return any of the premiums paid.
5. Nothing in provision is intended to vary the applicable provisions of the Insurance Act 2015.
